

The following training programs as per the approved action plan will be conducted during the month of **February 2022**. The concerned scientists are directed to conduct the training programme as per the schedule and keeping in view the covid SOPs. The monthly report of these programmes along with good quality photographs may be submitted to this office positively on 28th February 2022.

1. Trainings/Awareness programmes for Farmers/ Farm Women

S.No	Training programme	Venue	Date	Duration	Name of Scientist
01	Preparation of vermicompost and dalweed compost for agriculture use as an income generation	SKUAST-K	05-02-2022	05 days	Dr. Uzma Bashir
02	Skill development on kitchen/farm waste	KVK Campus	11-02-2022	05 days	Dr. Uzma Bashir
03	Awareness about diesel oil emulsion preparation, spray & precautions to applicators	KVK Campus	10-02-2022 15-02-2022	02 days	Dr. Showket Ahmad Dar
04	Cultivation of gerbera for cut flowers	KVK Campus	12 -02-2022	01 day	Dr. Raiz Ahmad Lone
05	Scientific breeding for sheep and goat to maintain elite germplasm	Konmoh	15-02-2022	01 day	Dr. Ajaz Ahmad Ganie
06	Preparation of disease & insect pest free nursery beds for horticulture purposes	KVK Campus	21-02-2022	01 day	Dr. Showket Ahmad Dar
07	Demonstration on preparation of balanced ration for different animals	Tengpora	23-02-2022	01 day	Dr. Ajaz Ahmad Ganie
08	Selection of mother plant for collection of graft wood for production of quality planting material of fruit plants	KVK Campus	01-02-2022	04 days	Dr. Rayees Ahmad Wani
09	Grafting methods of stone fruit trees for production of quality planting material	KVK Campus	07-02-2022	04 days	Dr. Rayees Ahmad Wani
10	Grafting methods of pome fruit trees for production of quality planting material	KVK Campus	21-02-2022	03 days	Dr. Rayees Ahmad Wani
11	Grafting methods of nut fruit trees for production of quality planting material	KVK Campus	24th, 25th & 28th Feb. 2022	03 days	Dr. Rayees Ahmad Wani

2. Trainings for Rural Youth

12	Skill development training programme on golden thread work	Balhama	10-02-2022	40 days	Dr. Nasreen Jahan
13	Role of balanced diet & vaccination in small ruminants	KVK Campus	08-02-2022	03 days	Dr. Ajaz Ahmad Ganie
14	Awareness regarding entrepreneurship opportunities in floriculture	Theed	18-02-2022	01 day	Dr. Raiz Ahmad Lone
15	Selection of disease & insect pest free quality seeds for early nursery raising	KVK Campus	24-02-2022	01 day	Dr. Showket Ahmad Dar
16	Method demonstration on handling, preparation and application of biofertilizers.	Shalimar	13-02-2022	01 day	Dr. Uzma Bashir
17	Macro & micro nutrient fertilizers & their application of fertilizer solution for foliar spray in production of quality fruit production	Bakshipora	16-02-2022	01 day	Dr. Uzma Bashir
18	STRY programme on crop production	SKUAST-K	14-02-2022	06 days	Dr. Rayees Ahmad Wani

3. Trainings for Extension Personnel

19					
OFT					
20					
FLD					
21	Propagation of UMMB for maximising production potential in dairy cows	Khimber, Balhama	18-02-2022		Dr. Ajaz Ahmad Ganie
22	Nutrient fungicide compatibility in apple	Shalimar, Theed Chaterhama	15 -02-2022		Dr. Rayees Ahmad Wani
